

# Emergency Supply Storage Map

Organize and map essential emergency supplies around your home for faster access during floods, blackouts, or evacuations.

Knowing where supplies are stored can save critical time during emergencies. This planner helps Malaysian families organize emergency food, water, medical kits, tools, and backup power systems clearly.

Supply Category	Storage Location	Checked
Water Storage		<input type="checkbox"/>
Emergency Food		<input type="checkbox"/>
Medical Supplies		<input type="checkbox"/>
Power Banks & Batteries		<input type="checkbox"/>
Flashlights & Lighting		<input type="checkbox"/>
Important Documents		<input type="checkbox"/>
Emergency Cash		<input type="checkbox"/>
Tools & Multi-tools		<input type="checkbox"/>
Hygiene Supplies		<input type="checkbox"/>
Emergency Bags		<input type="checkbox"/>
